

10 Easy Office Jobs That Pay Over \$75K a Year

Not all high-paying jobs require long hours, extreme stress, or years of advanced education. Some of the best-paying office jobs are surprisingly low-stress and don't require you to be a coding wizard or top-tier executive. If you're looking for a simple 9-to-5 desk job that brings in over \$75,000 annually, we've got you covered.

Here are 10 easy office jobs that combine comfort, stability, and solid pay.

1. Executive Assistant \$76,000+
